

COVID-19 VACCINE EMPLOYMENT LAW CONSIDERATIONS

Join us for a special discussion on employment law considerations surrounding COVID-19 vaccinations.

Topics to be discussed include:

- Employer vaccine mandates - are they legal?
- Legal implications of a mandate under federal and state law
- Legally valid and invalid objections by employees to the vaccine
- Practical considerations for mandating the vaccine
- Unionized employment considerations
- Accommodating unvaccinated workers
- Alternatives to a vaccine mandate/incentivizing employees
- Telecommuting policies
- COVID-19 policies: Containment, Health Screening, Travel/Quarantine
