Event Sponsor: FETTI

PRACTICE AREAS

Environmental Law

Steve Barnett, a partner in Connell Foley's Environmental Law Group, presents at the 2019 Annual FETTI Conference on "Privatized Remediation: Giving the Consultant the Regulator's Pen." Steve presents with Dan Lattanzi, LSRP, First Environment on Thursday, September 26th of the three-day conference.

Each year FETTI hosts a two-day conference in the Chicago area on a broad range of environmental issues with nationally recognized speakers who offer informative and provocative programs to enhance members' understanding of the ever-changing environmental and toxic tort issues they face in their professions.
