

Michael Shadiack Quoted in Article on Social Media Misuse

New Jersey Business Magazine
04.10.2018

Michael Shadiack, chair of Connell Foley's Labor and Employment Group, is quoted in the *New Jersey Business Magazine* article "How to Protect Your Company's Reputation When Employees Misuse Social Media," which was published on April 10, 2018. In the article, Mike provided his professional insight on how employers can protect themselves and their reputations by including the use of social media in their employee handbook's code of conduct, and making clear the code of conduct applies to employees even when they are not at work.
